Selfkant, den 10.3.2022

In the military appeal proceedings
of ....
AZ. ...
we would like to request that the parties and their representatives - also in view of the associated proceedings of Lieutenant Colonel Christian Baier on BVerwG 1 WB 2.22 and BVerwG 1 W-VR 1.22 - be permitted to be at another location during the hearing with simultaneous transmission of the hearing in picture and sound and to carry out procedural actions there.

The implementation of a video conference would certainly be the milder means compared to the obligation to wear a mouth-nose protection in the hearing room.

Prof. Bhakdi would not be able to travel at present anyway - as he told me today when asked. But he would - if and as soon as the discerning Senate so wishes - be available as an expert witness in the context of a video conference.

Prof. Bhakdi could be summoned through me.
